ALCOHOL AWARENESS POSTER CONTEST

At the beginning of each school year, the PLCB encourages students in kindergarten through 12th grade across Pennsylvania to participate in its annual Alcohol Awareness Poster Contest.

The contest is a platform for students to convey to peers positive, no-use messages depicting healthy alternatives to drinking or reasons why young people should choose not to drink alcohol.

Each year, approximately 50 young artists responsible for top designs have their artwork reproduced into posters, coloring pages, bookmarks or other printed material.

Winners are also recognized at a ceremony in Harrisburg during Alcohol Awareness Month each April.
The Pennsylvania Liquor Control Board Bureau of Alcohol Education offers a variety of materials free of charge.
